ContentGenerator.net Individual Licence for:

Penalty Shootout Generator

Total: **£24.99**

The individual licence is provided with the following conditions:

Software licensed to one individual. Can be installed on multiple machines (e.g. home computer & school laptop), but is only licensed only for the named individual's use. You are allowed to generate an unlimited number of Flash (.swf) files using the software. Files can be used over a school network, on an intranet or online on a school or personal website. You are also entitled to full support via the ContentGenerator.net customer forums.

You can upgrade the individual licence to a site licence by paying the difference.

Please make a cheque for **£24.99** payable to **ContentGenerator.net** and send to the above address.
